**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is vital to keep local and small internet providers viable and competitive in the market. Sonic has excellent customer service and is continuing to increase fiber for its communities. Monopolies eliminate competition, increase costs, limit and control access and do not promote the public good.

We need broadband competition.
